Professional Team Building

October, 2004

SPECIAL MISSION

"The only way to discover the limits of the possible is to go beyond them into the impossible."

Arthur C. Clarke

What if during the week end you would escape from the common context made by computers, reports, buildings, noise and stress? And what if you will land in the middle of a real Special Mission?

At a glance, most of the exercises look difficult or even impossible to be done - but it's amazing how easy a determined team can pass through ...

The things are just the same in the professional life: day by day we face barriers and obstacles, difficult to be passed at the first sight. But, from now on, simple exercises for your trained employees.

Some of the challenges ...
