### TEAM BUILDING MODULES

**"There is one thing stronger than all the armies in the world, and that is an idea whose time has come."**

Victor Hugo

**"Coming together is a beginning, staying together is progress, and working together is success."**

Henry Ford

#### "CLASSIC"

Team Building sessions consisting in a sequence of outdoor exercises focused on the objectives regarding team development and participants skills.

#### TREASURE HUNT

A three hours escapade in the nature, in search for a Treasure.

On the way of finding the mysterious secret, in tight competition and rush, the teams will follow a route, finding hints and solving riddles.

#### MURDER MYSTERY

Acting as different characters, disguised and following a script, the participants have to solve the crime occurred during the Lord Stenton's party...

#### SPECIAL MISSION

What if we'll have a week-end adventure, out of the daily life (composed by computers, rush, buildings, horns, traffic lights and stress) ? Hereby we can land in a full action story ...

#### ORIENTATION

Tracking a route, having just a map and a compass, following an unmarked road (4-5 Km). On top of that, the teams have to accomplish different tasks ...

#### "SURVIVAL" (DANUBE DELTA)

The team are stranded on a deserted island where they have to manage the survival ...

Initially, they have different kind of tools and resources in order to be able to pass the challenges ...

#### WINTER

The cold season, with Christmas celebration and the beginning of the new year is also the right time for the activities focused on team development, through specially developed modules to ensure the participants comfort.

#### ADRENALIN

Team Building sessions including special exercises, where the participants have the possibility to face their own limits: flying fox, rappel, escalade, rafting, ATV, mountain bike, caving ...
