### WINTER TEAM BUILDING

**"To lead the people, walk behind them."**

**Lao-Tzu**

**"The ratio of We's to I's is the best indicator of the development of a team."**

**Lewis B. Ergen**

The end of year brings, along with the cold season, a period to draw a line over the yearly achievements and to prepare ourselves for the next challenges. In this context, a Team Building session is the right tool to establish the framework for a end year meeting or to present and discuss the budget for the next year.

We usually promote Team Building activities conducted in nature, but, in this season, the outdoor exercises will be alternate with the indoor, in order to assure a comfortable event for all participants and to achieve the proposed objectives.
