

TREASURE HUNT

The Right Balance

After weeks and weeks in the office, behind the desk, after meetings, reports, tables, emails, phone calls ... all we need is some fresh air. And what could be more appropriate than an escape in a special environment, closer to the nature and closer to the colleagues?

As we always have to find out the right balance between work and pleasure, we propose you a funny escape and a good opportunity to refill your batteries and to refresh your creativity level for the incoming period of time.

Treasure Hunt

Due to an aircraft crash, the participants got lost in the Moecian Jungle from Amazonia. The local Indians promised to help them to reach the civilization, but the teams have to complete some special tasks given by the tribe Wizard ...

The Treasure Hunt module is made up by two phases: searching for the clues and finding the treasure. During the first part, the teams have to negotiate, to solve riddles, to pass some orientation tests in order to win important clues to be used in seeking the mysterious Treasure ...
